Pléo™ Wall-Mounted Toilet

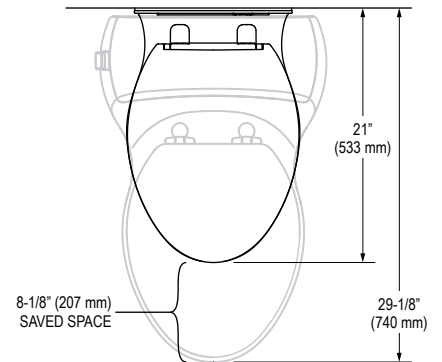

The Pléo Wall-Mounted Toilet shown in Stucco White, Dual-Flush Actuator Plate shown in Chrome.

From Greek meaning "to float," Pléo™ is a design that lifts elegant, modern form up off of the floor. Featuring a stylized, hourglass shaped bowl and a softly rounded actuator plate framed in smoky white glass, the Pléo wall-mounted toilet is a model of clean design. The dual-flush actuator buttons are intuitive to the touch with firm actuation. The bowl shape smoothly conforms to the wall in a straightforward approach and is proportionately scaled to fit any surrounding.
