

Features

- 1.28 gpf (4.8 lpf).
- Right-hand Polished Chrome trip lever.
- Combines with the K-31588 bowl to create a complete K-31621-RA Cimarron® elongated toilet.

Technology

- Single-flush gravity uses the force of gravity and a precision-engineered tank, bowl, and trapway to create a strong siphon during flushing.
- AquaPiston® canister allows water to flow out of the tank from all sides (360°), increasing the power and effectiveness of the flush.
- Flush valve's 3:2 ratio harnesses the natural force of gravity and optimizes flush performance.
- Durable canister design has 90% less exposed seal material than a 3" flapper for leak-free performance.
- Light-touch canister flush requires a lower actuation force than a flapper.

Recommended Products/Accessories

- K-31588 Elongated chair height toilet bowl
- K-25986-R Right-hand trip lever
