Allows for connection of up to 3 sensors (splitter sold separately)

FREE App!

Apple® iOS & Android® compatible

innovate. evolve.

NightEye®

Wireless Enabled Alarm

ALM-EYE Series

Alarm Features

- NEMA 1, indoor rated
- 120V operation with 9-volt battery backup
- 86 dB audible alarm
- Super bright red LED alarm ring
- Green power ON LED
- Low battery LED
- Low battery warning
- Automatic reset
- Wi-Fi LED
- Silence or test alarm manually or through your smart device
- Three sensor/float switch styles available – wide-angle float switch for sewage, compact snap-on float switch (fits 1-1/4" and 1-1/2" pipe) for sump, and puddle sensor style puck
- Auxiliary contacts for connection to other home security systems
- Device will run up to 12 hours on 9-volt battery with alarm active, up to 7 days in standby mode

Normal Status Screen

Alarm Notification Screen

New! Super-bright LED alarm ring - increases visibility

Patent: See www.LibertyPumps.com/patents

Snap-on Compact Float Switch
Model ALM-P1-EYE
(sump pump applications)

Wide-Angle Float Switch
Model ALM-2-EYE
(recommended for sewage applications)

Puddle Sensor
Model ALM-PK-EYE
(for floor level water sensing)

App Features

- Apple® iOS and Android® compatible
- Free download on the App Store or Google® Play Store
- Cloud-based system technology
- Get immediate notification from your smart device of alarm activation
- Notifies via text, email or push notification – up to 4 different contacts/phone numbers
- Low basement temperature notification (user defines temperature level for warning)
- Silence or test your alarm remotely from your smart device
- One NightEye® app can control multiple devices (separate alarm/control units required)
- Loss of Wi-Fi notification (utilizes smart wireless monitoring to prevent nuisance notifications)

NOTE: During power outages, your home's wireless router will not be operational and unable to send signals to your mobile device unless on a backup power source. The alarm unit mounted in the basement will still activate running on 9-volt battery.

MODEL	FLOAT SWITCH STYLE	FLOAT SWITCH CORD LENGTH	WEIGHT
ALM-P1-EYE	Compact snap-on	10'	2 lbs
ALM-2-EYE	Wide-angle	20'	4 lbs
