

STIMULATE *your senses*

Add steam, music and lighting for an unbelievable shower experience.

MUSIC

Bring your own music directly into the shower and never miss a beat.

- Play music while you're in the shower or fill your bathroom with sound as you get ready
- Stream music from devices enabled with *Bluetooth*® wireless technology to the Moxie® showerhead or to the SoundTile® speakers using the amplifier
- Keep your expensive devices far from wet areas while still enjoying their benefits
- Use with or without DTV+™

STEAM

Enjoy the soothing benefits of a steam right in your shower.

- Encourages relaxation and relieves stress, especially when paired with aromatherapy
- Use with or without DTV+
- For use with KOHLER steam generator. Steam generator is chosen based on the size of your shower space

Dual | K-5558

LIGHTING

WaterTile® Ambient Rain® panel showers you from four sprayheads, each featuring 22 nozzles while bathing you in chromatherapy lighting.

- Enjoy color's unique soothing effects as your mind and body relax
- Select preset chromatherapy sequences
- Create a custom color from the color wheel

FIND YOUR faucet

Our faucets and accessories allow you to design bathrooms that are tailored expressions of your personal style. It's simply a matter of settling on a design and finish that's right for you and choosing the components you'll need, we've done the rest of the legwork for you.

SELECT A CONFIGURATION

SINGLE-HANDLE FAUCETS

- Control water volume and temperature with a single handle
- Designed for sinks with a single hole
- Suitable for sinks with three holes when used with an escutcheon plate

CENTERSET FAUCETS

- The spout and handles make up one connected piece
- Compact and space-efficient design is ideal for small spaces
- Fit sinks with three faucet holes that measure 4" from one side to the other

WIDESPREAD FAUCETS

- A great addition to larger vanity areas and pedestal sinks
- Feature UltraGlide® with dry stem technology to prevent leaks
- Require three faucet holes that measure 8" to 16" from one side to the other

VESSEL FAUCETS

- Known as Tall or Tower models
- Designed to accommodate above-counter KOHLER® Vessel and Wading Pool® sinks

WALL-MOUNT FAUCETS

- Mounted on the wall behind the sink
- Ideal for above-counter, wall-mount and under-mount sinks
- Helps keep the countertops clear

MANUFACTURED FOR LIFE

We combine stunning design with steadfast performance to create KOHLER bathroom faucets. Tough as they are beautiful, they're leak-free and on-task, standing up to twice the industry standard. Choose a KOHLER faucet and count on a lifetime of practical beauty.*

*See KOHLER.com/Warranty for full warranty details.

WATER SAVINGS

Most of our bathroom sink faucets carry the WaterSense® label. This means they use approximately 30 percent less water than a standard faucet while still meeting strict performance guidelines.
