Liberty Pumps

NightEye®

Wireless Enabled Alarm

ALM-EYE Series

ALARM FEATURES:

- NEMA 1, indoor rated
- 120 volt operation with 9-volt battery backup
- 86 dB audible alarm
- Super bright red LED alarm ring
- Green power on LED
- Low battery LED
- Low battery warning
- Automatic reset
- WiFi LED
- Silence or test alarm manually or through your smart device
- Three sensor/float styles available - wide angle float for sewage, compact snap-on float (fits 1-1/4" and 1-1/2" pipe) for sump, and a puddle sensor style puck
- Auxiliary contacts for connection to other home security systems
- Device will run up to 12 hours on 9-volt battery with alarm active, up to 7 days in standby mode

APP FEATURES:

- Apple® iOS and Android® compatible
- Free download on Google® Play Store or the App Store
- Cloud-based system technology
- Get immediate notification from your smart device of alarm activation
- Sends via text, email or push notification - up to 4 different contacts/phone numbers
- Low basement temperature notification (user defines temperature level for warning)
- Silence or test your alarm remotely from your smart device
- One NightEye® app can control multiple devices (separate alarm/control units required)
- Loss of WiFi notification (utilizes smart wireless monitoring to prevent nuisance notifications)
