

Reach™ Comfort Height®

One-piece compact elongated 1.28 gpf toilet
K-78080

Features

- One-piece toilets integrate the tank and bowl into a seamless, easy-to-clean design.
- Elongated bowl offers added room and comfort.
- Skirted trapway simplifies cleaning.
- Comfort Height® feature offers chair-height seating that makes sitting down and standing up easier for most adults.
- 1.28 gpf (4.8 lpf).
- Left-hand Polished Chrome trip lever.
- 2-1/8" (54 mm) fully glazed trapway.
- Patented ReadyLock™ installation system is a simple solution for skirted toilets that saves time, hassle, and eliminates the need to drill into the floor for a standard 12" (305 mm) rough-in.

Technology

- Single-flush gravity uses the force of gravity and a precision-engineered tank, bowl, and trapway to create a strong siphon during flushing.
- AquaPiston® canister allows water to flow out of the tank from all sides (360°), increasing the power and effectiveness of the flush.
- Flush valve's 3:2 ratio harnesses the natural force of gravity and optimizes flush performance.
- Durable canister design has 90% less exposed seal material than a 3" flapper for leak-free performance.
- Light-touch canister flush requires a lower actuation force than a flapper.

Installation

- Standard 12" (305 mm) rough-in.
- 10" and 14" (254 mm and 356 mm) rough-in kits also available.
- Supply line sold separately.

Recommended Products/Accessories

- K-4108 C³®-230 Elongated cleansing toilet seat
- K-5381 14" Rough-in Full Skirt Trap and Attachment System
- K-5383 10" Rough-in Full Skirt Trap and Attachment System
