

# ROHL MICHAEL BERMAN AMERICAN-MODERNE COLLECTION

Renowned designer Michael Berman created his American-Moderne kitchen collection exclusively for ROHL. In an exciting contrast to other ROHL collections emphasizing European style, this collection celebrates a glamorous age in American culture. American-Moderne is a transitional style combining modern elements with those from the era when transatlantic ocean liners and transcontinental train travel were in their heyday, and Hollywood was in its prime. The Gotham style of the Michael Berman Kitchen Collection was inspired by the finest industrial design of the 1920s, 1930s and 1940s, which lends a sleek aesthetic to any setting. Authentically crafted in the USA.
