

Westwood by Beckett CO₂ BLOW OUT GUNS & KITS

For quickly clearing plugged lines - All Brass Construction

| Item No. | Reference No. | Description & Representative Picture |
|----------|---------------|--|
| T32 | ML-3 | CO ₂ blow out gun for clearing clogged oil lines and instrument transmission lines. Built-in check valve allows spent cartridge to be removed without loss of pressure.  |
| T32-10 | ML-3-150 | CO ₂ blow out gun with built-in safety valve. Limits pressure at outlet of gun to 150 PSI. Since CO ₂ cartridges produce approximately 800 PSI, the additional pressure is relieved should a severely restricted line be encountered.  |
| T32-11 | ML-3-150-UPG | 150 PSI safety valve upgrade kit for blow out gun (Relief valve and angle adapter, 1/8"-NPT)  |
| T32-15 | ML-3-P1000 | CO ₂ blow out gun with 1,000 PSI pressure gauge. Accurately monitors pressure in the line during clearing. Constant pressure indicates line is blocked; falling pressure means blockage is moving; no pressure means line is clear. Complete kit includes blow out gun with gauge, box of CO ₂ cartridges, plastic carrying case, and instructions  |
| T32-16 | ML-3-PQ | CO ₂ blow out gun with Quick-Connect Kit for quickly connecting to different line sizes. Kit includes blow out gun with 1,000 PSI pressure gauge, quick-connect coupling, (1) ea. 3/8" & 1/2" compression connectors, (1) ea. 3/8" & 1/2" flare connectors, plastic carrying case, and instructions  |
| T32-20 | QCK-1 Kit | Quick-Connect Fittings Kit (blow out gun not included). Contains quick-connect coupling, (1) ea. 3/8" & 1/2" compression connectors, (1) ea. 3/8" & 1/2" flare connectors  |
