

Puretide™ Elongated Toilet Seat with Manual Bidet Functionality

No Electricity Required

Manual bidet seat operates with easy-to-use lever—requiring no electrical outlet or batteries

Adjustable Cleansing

Position the wand for optimal ambient-water cleansing

Self-Rinsing Wand

Automatically rinses after each use

Sleek Design

Low-profile seat offers a sleek appearance for any bathroom decor

Quiet-Close™ Technology

Lid and seat close slowly and quietly without slamming

Quick-Release™ Hinges

Easily remove the entire seat for thorough cleaning

Quick-Attach® Hardware

Speeds up installation process and provides a tight, secure fit

Grip-Tight Bumpers

Add stability and prevent shifting

Comfortable Seating

Ergonomically designed for comfort

Visit KOHLER.com/Puretide for compatible toilets.

Delivering a **refreshing clean** with a localized stream of water.

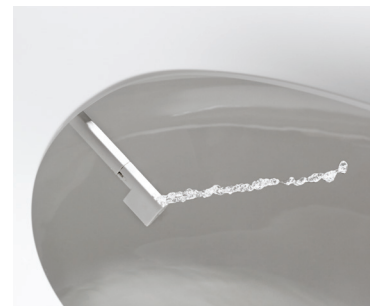

Manually Operated
Does not require electricity

Control Intensity of Water
