PROPANE
EXCEPTIONAL ENERGY™

You'll Never Run Out of Gas Again with Manchester Tank's SureFlame® Cylinder Featuring the SureFlame Gauge.

With our new SureFlame Cylinder, you'll never have to guess how much propane you have left. You'll know for sure with just a glance. Manchester Tank has developed the best innovation in liquid level gauge technology to ensure you never run out of gas again. No instructions are needed, **simply look at the SureFlame gauge and see if it's time to grill or time to fill.**

Take the guesswork out of grilling with our new SureFlame Cylinder.
