

PRODUCTS FEATURES

- Leak proof
- Resistant to chemicals and ultraviolet rays
- Conforms to ASTM C1173 and CSA B602
- Quickly and easily to connects pipes of same or different sizes and materials
- Stainless steel 300 grade hose clamps are corrosion resistant
- Installation torque: 60 inch LBS max
- Maximum test pressure: 4.3 PSI (29.6KPA)
- Maximum operating temperature: 140° F non-consistent
- Minimum operating temperature: – 30° F

Part No.	Description
Plastic or Cast Iron Flexible Coupling	
4PRO112FCOUP	1-1/2 to 1-1/2
4PRO2FCOUP	2 to 2
4PRO3FCOUP	3 to 3
4PRO4FCOUP	4 to 4
