

## Features:

- **Size Range:** 1/2" – 1 1/4"
- **Material:** Carbon Steel
- **Finish:** Plain
- **Function:** Used to suspend black iron pipe from floor joists.

Our plain wire pipe hooks are manufactured out of 10 gauge material. These hooks are made to hang black iron pipe from wooden rafters. The hook has nail points on each end to allow hook to be driven into the wooden joists.
