

Product: Oil Only Bonded Meltblown (SM) Pads

Model Number: BP12W
Mfg Number: PHWS100

Description

Product Family: Oil Only Sorbents
Composition: One layer of spunbond fabric is bonded to a single layer of meltblown polypropylene.

Size

Dimensions: 15" x 19" / 38.1 cm x 48.3cm
Items Per Package: 100/Bale
Quantity per Pallet: 30
Shipping Weight: 14 lb / 6.4 kg
Nominal Weight Class: Heavy Weight

Performance

Fluids Absorbed: **OIL ONLY** Absorbs oil, gasoline, diesel, etc.
Absorbency Rate: Up to 30 gal / 114 liter

Other

Color: White
Package Type: Poly Bag
Box Size: N/A
Harmonized Code: 5603.14.0000

Product Description

Oil Only Bonded Meltblown (SM) pads and rolls are great economical alternatives to our premium 3-ply sorbents. One side is covered with a thin layer of spunbond, which is smooth and abrasion-resistant. Absorb hydrocarbon-based fluids (oil, gasoline, diesel, etc) while repelling water. Perforated for waste minimization, tear off what you need for small tasks.
