## Showering Solution

With Bellwether® Shower Base

THE BOLD LOOK  
OF **KOHLER**®

# Bellwether® Shower Base

Incorporating the same clean lines as the Bellwether bath, this shower base offers a shower solution that is easy to install and maintain.

## Durable cast iron construction

Crafted in part from recycled material, KOHLER® enameled cast iron resists chipping and flexing

## Easy to clean

Nonporous cast iron easily wipes clean

## Low maintenance

One-piece cast iron construction allows low long-term cost with very little maintenance

## Stylish easy-to-remove drain cover

Trough-style drain cover provides a sleek aesthetic while hiding hair and debris and lifts easily for cleaning

## Easily accessible

Low 4" threshold is easy to step over and confines water to the shower space

## Retrofit or new construction options

Drain accommodates new or remodeled bathrooms. Alternate drain locations easily replace a 60" x 30" bath

## Added space

Gain two to four inches of space when replacing a traditional 60" x 30" bath with a 60" x 32" or a 60" x 34" base

## Pairs well with Levity® shower door

With a modern design, easy entry and smooth operation, the Levity shower door complements the Bellwether shower base
