## AUTOMATIC DUSTPANS

A “must” for the kitchen, pantry, laundry room, bathroom, mud room – anywhere you have a hard surface. NuTone Automatic Dustpans allow you to easily dispose of crumbs, glass fragments, pet hair – all the hard to pick up debris. Just sweep it into the inlet and activate the vacuum feature with light toe pressure.

### CI377W CanSweep®

Enjoy the convenience of this automatic inlet installed in a cabinet toekick or baseboard. CanSweep® has a short profile design that allows it to be installed in tight kick space areas. A must have for the kitchen, laundry room, or bathroom! Just sweep debris toward the inlet and activate the vacuum with a gentle touch to the toe switch. Available in white.

### CI376W Trim Plate

For retrofit installations, once your CanSweep® is installed, finish off the installation with this trim plate for a professional look. The overall size can be shortened to 3-1/2" or 3" on site during installation so you can customize it for an exact fit under your cabinets. This trim finish plate is designed for front-entry access and is for use with the CI377W CanSweep® only. Offered in white.
