Fold-Down Shower Seat

Designed with a rugged aluminum frame and water-resistant teak wood, the Moen® Home Care® Fold-Down Shower Seat is built to last, shower after shower, year after year.

- Supports up to 400 lb. (when securely installed per instructions)
- 20-in. x 15-in. wide seat surface
- Designed for installation into studs or wood blocking
- Two metal finish options – Old World Bronze or Stainless Steel – to match a variety of decorating styles

Complies with Americans with Disabilities Act (ADA) specifications.
