## Complete Shower Solutions

Only KOHLER® offers all the showering components needed to complete your project.

THE BOLD LOOK  
OF **KOHLER**®

# Complete Shower Solutions

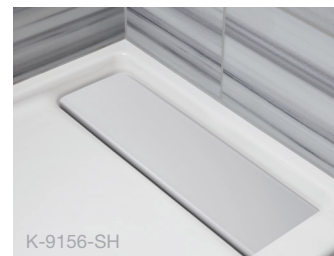

## Choreograph™ Shower Wall & Accessory Collection

Made of proprietary Serica™ material, Choreograph walls are durable, easy to install and low-maintenance.

## Levity® Shower Door

The Levity shower door's sleek design offers smooth operation and an easy-to-clean CleanCoat® glass treatment. (Available in 74" and 82" heights)

## Bellwether® Shower Base

The base's drain cover is designed for easy cleaning and hiding hair and debris. KOHLER® enameled cast iron resists chipping and flexing. Its nonporous, one-piece construction allows low long-term cost with little maintenance. Designed to replace a 60" x 30" bath, Bellwether is available with two drain configurations to accommodate new and remodeled bathrooms.

## HydroRail® Shower Columns

HydroRail shower columns turn your shower into a spa-like retreat without having to go behind the wall to reroute plumbing or change out the valve. The column mounts to existing plumbing. This means, you simply have to remove the old showerarm and replace it with the HydroRail shower column.

Choose from three options:

HydroRail-H Handshower

HydroRail-S Handshower  
+ Showerhead

HydroRail-R Handshower  
+ Rainhead

## Complementary products:

8" Contemporary Round 2.5 gpm rainhead with Katalyst® spray (K-45201-CP)
